

BEFORE
THE PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA
DOCKET NO. 2003-53-C - ORDER NO. 2006-647
NOVEMBER 2, 2006

IN RE: Application of Transcom Communications,) ORDER APPROVING
Inc. for Authority to Operate as a Reseller of) CHANGE OF COMPANY
Interexchange Telecommunications Services) NAME
within the State of South Carolina.)

This matter comes before the Public Service Commission of South Carolina ("Commission") on the request filed September 5, 2006, by Transcom Communications, Inc. ("Transcom" or the "Company") for approval of a change in the Company's name. By its request, Transcom advises the Commission that the Company's name has been changed to Maskina Communications, Inc.

A review of the Commission's records reveals that Transcom was granted authority to operate as a reseller of interexchange telecommunications services within the State of South Carolina by Commission Order No. 2004-315, issued July 2, 2004.

Upon Transcom's filing, the Commission's Docketing Department instructed Transcom to publish a Notice of Filing in newspapers of general circulation in the areas affected by the Company's request. Transcom complied with this instruction and provided the Commission with proof of publication of the Notice of Filing. The purpose of the Notice was to provide notification of the present proceeding to any interested parties and to advise interested parties of the manner and time in which to file pleadings to participate in the docket. No protests or Petitions to Intervene were filed in this matter.

In its request, Transcom advises that on December 2, 2004, stock ownership of the Company transferred from Transcom Holdings, LLC to Maskina AS and as a result of this transfer, the Company's name was changed from Transcom to Maskina Communications, Inc. According to Transcom, the only resultant change is in the Company's name and that there is no change to the legal entity of the Company. Transcom attaches to its request a copy of the Certificate of Amendment issued by the Texas Secretary of State evidencing the Company's name change.

At its regularly scheduled meeting on October 25, 2006, the Commission reviewed the case before it, and after due consideration, the Commission concluded that the request of Transcom for approval of a change in the Company's name should be granted. Accordingly, the Certificate of Public Convenience and Necessity granted to Transcom Communications, Inc. shall be amended to reflect the Company's new name of Maskina Communications, Inc.

This Order shall remain in full force and effect until further Order of the Commission.
